NSA Tech Talk at Morgan State

Cybersecurity from the Front Lines – The NSA Perspective & Workplace Environment

Foreign adversaries try to conceal their communication. We expose it.
They try to hack our classified information. We prevent it.
We are NSA, the world leader in cryptology and a great place to work!

Date: Thursday, October 01, 2020
Time: 11 AM - 12 PM
Online: Register at http://tiny.cc/q22vsz to get the link!

WE ARE HIRING – All Majors!

We offer internships, co-ops, part-time & full-time opportunities

Attend the Tech Talk to learn more.
